

Proline Pole Hole Borer Erectors

PENDULUM BORER, POLE ERECTOR

Crane refer 3½/7 ton truck crane **Auger dia.** 11" to 36" **Drilling depth** 11 ft. standard. Up to 20 ft. with telescopic boring bars

TRUCK MOUNTED BORER/ERECTOR

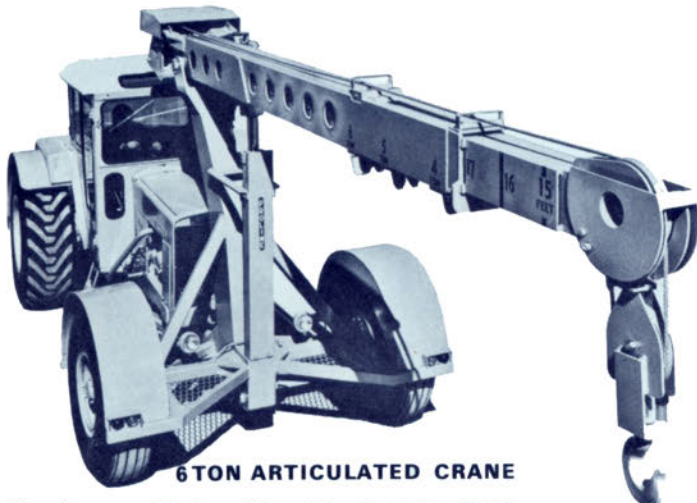

Borer H.D.B.A. model, hydraulic controls. **Drilling depth** 10 ft. standard, up to 150 ft. with 6" augers. **Auger dia.** up to 30" earth, 24" rock. **Erector Max. height** 28' 6" **Max. lift** 3 tons on single fall of rope **Hydraulic winch** 3½ ton, 2 speed automatic.

6 TON ARTICULATED CRANE, BORER

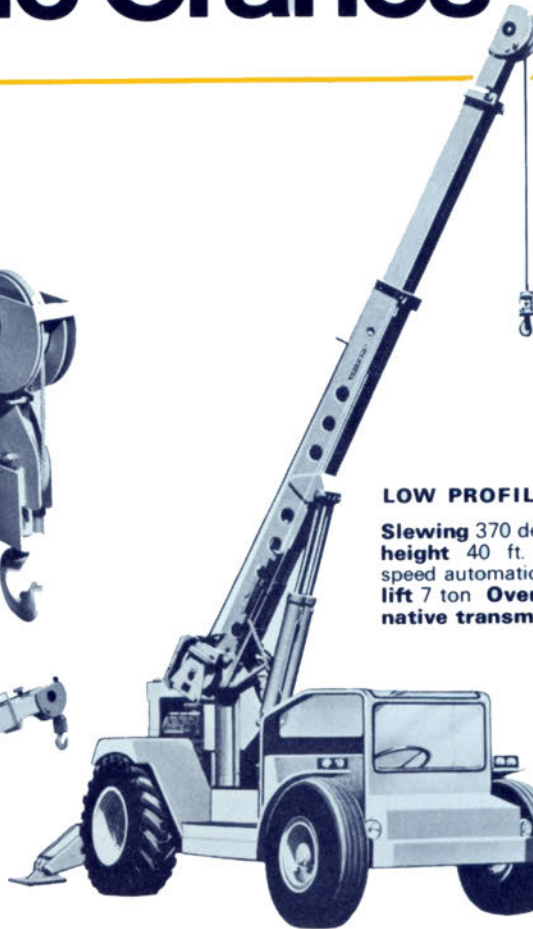

Crane for details refer 6 ton articulated crane **Borer** H.D.B.A. model, hydraulic controls **Drilling depth** 10 ft. standard. Up to 150 ft. with 6" augers **Auger dia.** up to 30" **Tilting** forward 50 deg., aft 10 deg., side 40 deg.

Proline Hydraulic Cranes

6 TON ARTICULATED CRANE

Slewing arc 42 deg. either side of centre **Hook height** 30 ft. Optional 40 ft. **Hydraulic winch** (Models C30MW, C30HW) 2 speed automatic, 3½ tons line pull **Max. lift** 6 tons **Overall height** maximum 10 ft. **Turning radius** 18'7" (ignoring jib overhang) **Road speed** 30 m.p.h.

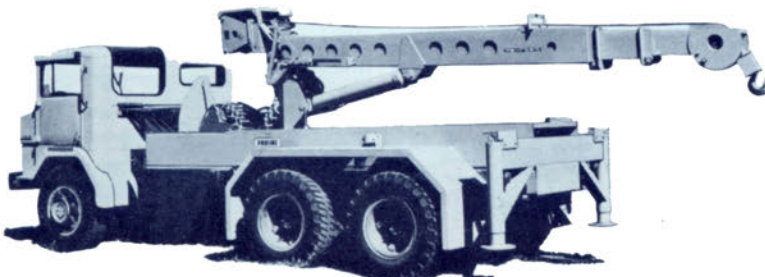

LOW PROFILE TRACTOR CRANE

Slewing 370 deg. or continuous **Hook height** 40 ft. **Hydraulic winch** 2 speed automatic, 3½ ton line pull **Max. lift** 7 ton **Overall height** 9'0" **Alternative transmissions available**

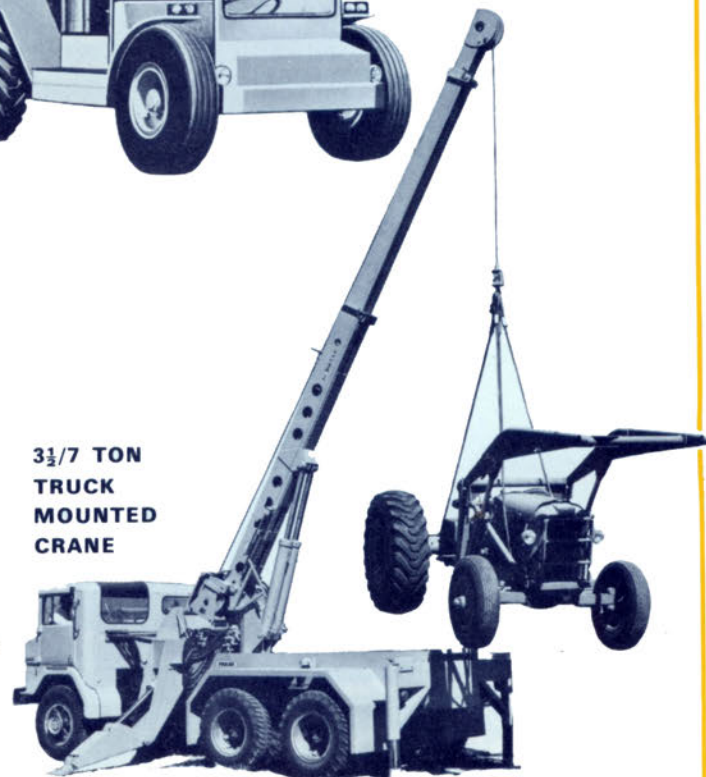

2/4 TRUCK MOUNTED CRANE

Slewing arc 240 or 370 deg. **Hook height** 28'6" **Hydraulic winch** 2 speed hydraulic, 2 tons line pull **Max. lift** 4 tons (2 fall rope), 2 tons (single fall rope) **Overall height** 9'10"

3½/7 TON NON-SLEWING CRANE

For details refer 3½/7 ton Truck Crane

3½/7 TON TRUCK MOUNTED CRANE

Slewing arc 240 or 370 deg. **Hook height** 40 ft., 45 ft. (double extension jib) 30 ft., 32 ft., 35 ft. (single extension jibs) **Hydraulic winch** 2 speed automatic, 3½ tons line pull **Max. lift** 7 tons (2 fall rope), 3½ tons (single fall rope) **Overall height** 9'6"
